The latter conclusion, though by no means certain, is perhaps the more probable.
Late in 62 or early in 63 A. Weymouth was a Bible scholar and
a philologist a student of the origins of language as well as a
layman, in the English Baptist denomination. The book itself
claims to have been written at the end of the Jewish Age

is inconceivable that such an overwhelming comment upon the
writer's whole position as that afforded by the destruction of
Jerusalem would have been overlooked, had it been available.
The Author was evidently an educated man and probably a physician, and was also
